Vibrant. Spacey. Full of life. DJ NaturalHiiigh’s mixing style is a clear reflection of her name.

Originally from LaMarque, Texas, she expanded her hobby into a brand and adopted the moniker “NaturalHiiigh” to capitalize on her rising popularity in Dallas in 2016.

NaturalHiiigh uses turntablism to express herself and to share her vibes with the world. DJ NaturalHiiigh’s vibrant personality and smile both shine brightly from the DJ booth.

Her ear for music is heard in each song selection, as well as in her smooth and seamless transitions.

Inspired by both old school jams and new school vibes alike, she’s able to combine the competing styles to make them into her own distinct sound.

She’s been chosen to DJ the Dallas Women’s March in 2017 and 2018. She’s also played in an array of Dallas venues such as Trees, Gas Monkey Live, Three Links, Double Wide, Off the Record, Wits End, The Ruins, Club Dada, among

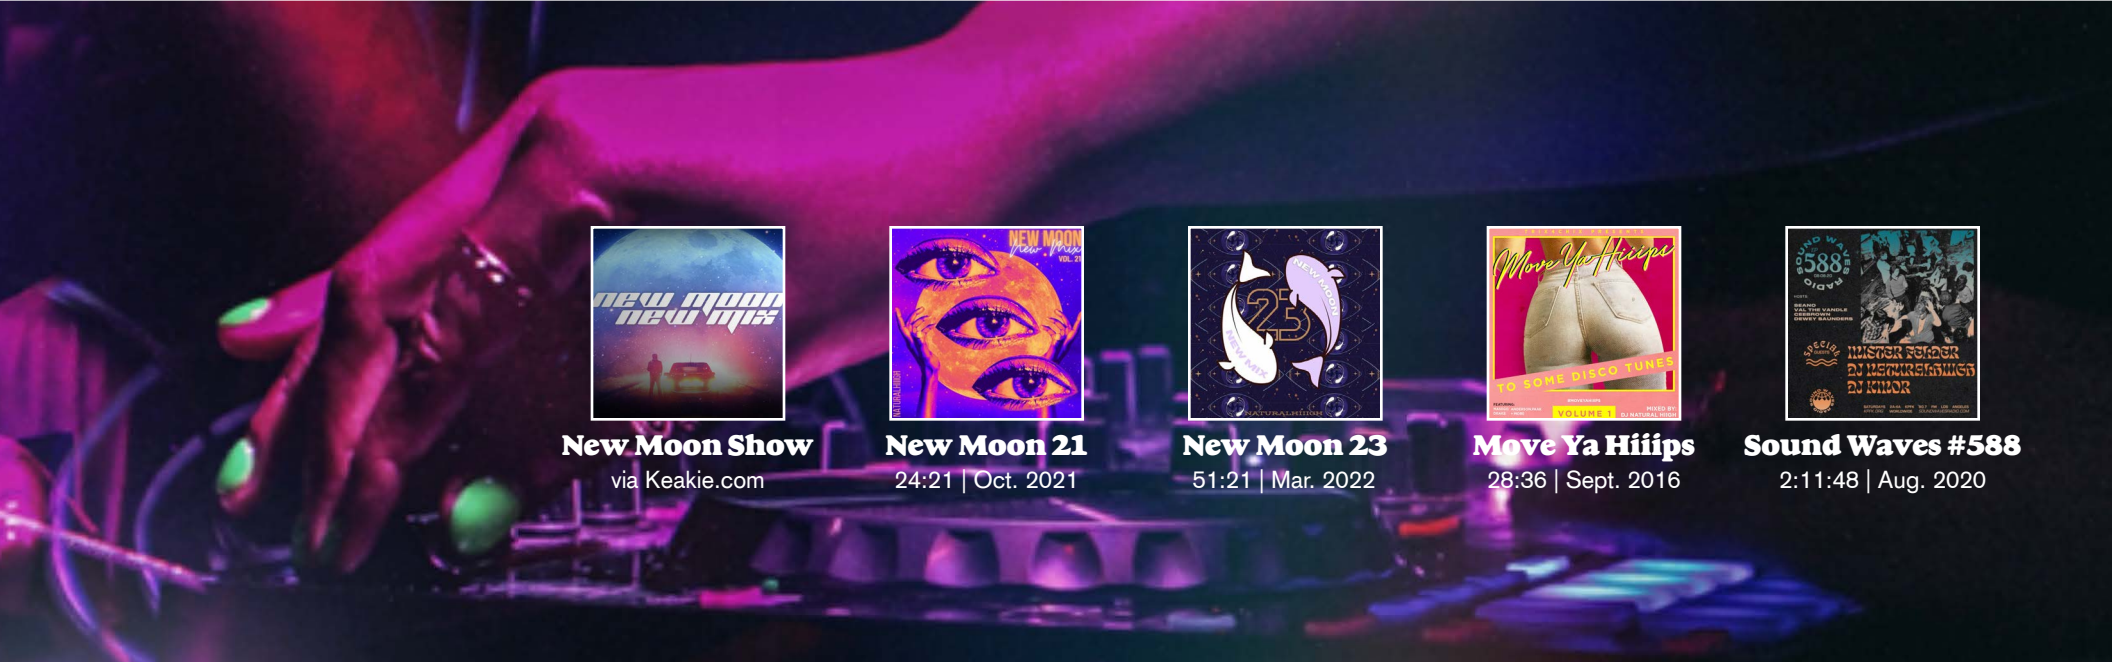

many others.

She’s also worked with The Dallas Museum of Art, The Women’s Museum at Fair Park, 500X Gallery & WAAS Gallery, and is looking to work more within the art world. She also had the opportunity to spin live on air for 97.9 The Beat & Majic 94.5 radio stations in Dallas.

She’s currently seeking performance opportunities, as well as brand/influencer partnerships and sponsorships.
